Charity Golf Day ELLESMERE GOLF CLUB TUESDAY 26TH JUNE 2018

MAIN SPONSORS

A Word From Our Chairman

Once again a warm welcome to the Manchester City Centre Crime Prevention Panel's Charity Golf Day. It is because of your ongoing generosity that we are able to support our nominated charity, Ronald McDonald House Charities, specifically their house that supports the Royal Manchester Children's Hospital.

The Panel was formed in the 1960's to help the Public and to support the police. To this day it proudly continues to fulfil this mission statement. I would like to thank our host this evening, Ellesmere Golf Club who continue to be our partner in delivering this event and in particular a special thanks also to The new club steward and bar manager, Neil & Tracey Hodgin for providing what is always an excellent meal.

Finally I would like to take this opportunity to thank all those who have supported and sponsored this great event, especially our main sponsor Stephen Turner of Associated Security. As the night goes on there will be many opportunities to support this fantastic cause, your ongoing generosity as always is greatly appreciated!

THANK YOU ALL

Our Chosen Charity

Ronald McDonald House Charities operate 14 Houses across the UK, all located close to specialist children's hospitals. The Houses are open 365 days a year and are equipped with everything you would find in a family home. Families can get a good night's sleep, prepare their own meals and feel at home, knowing that they're only a moments away from their child. When a child is in hospital their family can often be faced with having to travel long distances each day and either pay for costly hotel rooms or sleep on a chair at their bedside. These Houses provide families with a comfortable place to stay that's close to their child, giving them more time and energy to focus on being together.
